Who We Are

Pharmacare is an online service which provides medicine at client's door step. It is the last minute help to which people can rely on. Our motto is to serve the people of our city during their needs.

PROBLEMS WHAT PEOPLE FACE IN DAILY LIFE:

- *People panic when they are in urgent need of medicine or medical service*
 - *People face a lot of hassle to import the international medicine*
 - *It kills people's valuable time to get the doctor appointment*
 - *Sometimes a medicine isn't available at certain place and people had to visit many shops which is a waste of time*
 - *It's really very confusing for people to get the medicine in actual rate*
- 

FEATURES:

- *Urgent booking (atleast 3 hours before)*
 - *Home delivery service*
 - *Emergency service*
 - *Medicine list (search your medicine)*
 - 1) *Rate (Know the rate of the medicine you want to order)*
 - 2) *Stock out (Know before if the required medicine is available.*
 - *Foreign Medicine*
 - *Doctor Appointment*
 - *E-wallet*
-
